

November 2022 Current Client Property Requirements

White Commercial Surveyors provide comprehensive commercial property services and advice along the London to Birmingham M40 corridor and beyond

We are experts in acquiring office, industrial and retail premises, as well as commercial development sites for our retained occupier and developer clients. Our extensive knowledge and expertise of the commercial property market allows us to provide clients with detailed advice on premises, focussed on minimising the company's property holding costs.

White Commercial's unrivalled and extensive experience is based on first-hand knowledge and a unique insight into the economic environment and dynamics of the commercial property market in the region. Clients are safe in the knowledge that the principals of the business have direct responsibility with all aspects of clients' instructions.
