ANOTHER BULLSEYE FOR ARROW PARK BRACKLEY

ePac UK epacflexibles.co.uk have moved to a 24,205 sq ft unit 4 at Arrow Park, Brackley, Northamptonshire which leaves just one unit remaining at the new industrial/warehousing development. ePac UK will be showcasing its HP Indigo 20000 digital presses and pouch making equipment, and join existing occupiers BTC Racing www.btcrcing.co.uk, Saddlery Brands International saddlerybrandsinternational.com, NGC Logistics ngclogistics.com, Multimatic Motorsports www.multimatic.com and Howdens www.howdens.com.

Chris White, Managing Director of White Commercial Surveyors says *“This modern development, which includes a new Marston’s pub and restaurant, a new Sainsbury’s superstore and a healthcare centre, has proved an attractive location for industrial and warehouse users who require good quality communications between the M1 and M40 – with Silverstone, the home of the British Grand Prix, only a few miles away. We are expecting the final unit, which comprises some 19,638 square feet, to lease in the first quarter of 2020.”*

Luke Le Brun, Asset Manager of Patrizia, who own Arrow Park, said: *“It is great to see our strategy for Arrow Park coming to fruition, having attracted a high calibre of occupiers to the site in a relatively short space of time. We’ve no doubt that the excellent tenant mix we have created coupled with the unrivalled connectivity of this estate, within an area of engineering excellence, will see our agents secure the final occupier in no time.”*

White Commercial Surveyors act as joint agents for Arrow Park with Brown & Co and Colliers International.

White Commercial Surveyors act on behalf of clients in Oxfordshire, Northamptonshire, Buckinghamshire and Warwickshire along the London to Birmingham M40 motorway.
