Cracking start in Oxfordshire for the Hatch End Industrial Estate!

White Commercial Surveyors are very egg-cited to be leasing 7 different free-range industrial and storage units, ranging from 517 sq ft to 6,468 sq ft and suitable for a wide range of small businesses situated at the Hatch End Industrial Estate www.hatchendindustrial.co.uk. The popular estate, with its entrance located on Fir Lane between the villages of Middle Aston and Steeple Aston and between Banbury (10 miles) and Oxford (17 miles), just 8 miles from Soho Farmhouse and 8 miles from J9 of the M40.

Each unit, which White Commercial have chick-ed out, is of timber framed construction with concrete floors, loading doors and services. The external areas have been sympathetically upgraded to provide efficient loading, parking and storage areas retaining the pleasant rural environment.

A number of tenants have already been signed to take the units.

Chris White of White Commercial comments: *“The new owners have refurbished the units to provide an excellent estate benefitting from a great location between Oxford, Bicester and Banbury. A professionally managed estate, available on flexible lease and simple agreements and relatively small units. The owners are also providing a ‘hands on’ approach to meeting and supporting their tenants”.*
