TAPPER INTERIORS KNOCK ON THE DOOR OF NEW PREMISES

Tapper Interiors www.tapperinteriors.com are expanding their successful interiors business by buying Unit 1 at the popular Industrial Ownership Centre (IO Centre) on the Wildmere Road Industrial Estate, prominently situated at junction 11 of the London to Birmingham M40 motorway. The property, a 12,235 sq ft detached warehouse/industrial building, was constructed in 2002 as part of the IO Industrial and Warehousing Development and will provide Tapper Interiors with quality production showroom and storage accommodation. Tapper Interiors, a family owned business since 1984, specialise in commercial property fit-outs with particular expertise in ceilings and partitions. The company, an award-winning one-stop shop for interiors projects, has expanded its range of fit out services and has a worthy reputation for high quality work. Clients of Tapper Interiors include Oxford University, Lexus, Triumph, Kärcher, local and national main contractors, local authorities and schools.

Mike Tapper, Managing Director of Tapper Interiors says: *'The move facilitates the growth of our operations giving scope for staff expansion and improved warehouse operations including a new joinery workshop'.*

Harvey White, Commercial Property Negotiator at White Commercial Surveyors says: *"White Commercial has acted as advisers at the IO scheme, been involved in all the industrial transactions over the past 16 years. The development, being located close to Junction 11 of the M40 London to Birmingham motorway, always proves popular and White Commercial sold Unit 3 IO Centre, an 8,000 sq ft building, in the summer of 2018."*
