### Greenplant grows new shoots in Banbury with depot opening

**Greenplant** [www.greenplant.ltd.uk](http://www.greenplant.ltd.uk) plant, tool and event hire business expanded in January 2019 to Unit 3, Wildmere Close in Banbury, making it the company's second depot in Oxfordshire.

To mark the move to its new, circa 4000 sq ft site, a recent ribbon-cutting event was held with over 50 tradespeople attending at the unit on the Wildmere Road Industrial Estate which fronts junction 11 of the London to Birmingham M40 motorway.

**Andy Camden, General Manager of Greenplant** said:  
"Opening a new depot was a milestone for us and was an obvious next step to extend the business and our highest levels of customer service for which we are renowned."

Cutting the ribbon for the opening was **Chris White, Managing Director of White Commercial Surveyors** who commented: "The region is currently undergoing significant and substantial residential and commercial property development fueled by the region's location on the M40 between London and Birmingham. This is an obvious target for companies such as Greenplant as we continue to see significant interest in the region by companies looking to relocate."

The event was also attended by **Steve Newman, Senior Economic Growth Officer of Cherwell District Council**.
