Catesby Innovation Centre comprises a two storey modern statement office building and plenty of car parking spaces.

The Centre is designed to provide flexible office space from 290-8,200 sq ft for automotive and associated companies. Current occupiers include Bramble CFD Ltd, Catesby Projects Ltd, Stabilus UK and TotalSim Ltd.

Rentable offices and workshop areas will enable high performance technology start-ups and early-growth businesses to co-locate next to the tunnel testing facility.

The development of new larger units on the surrounding development will also provide 'grow-on' space for businesses that graduate from the innovation centre.

The accommodation has been designed to be let on flexible licence agreements which will also provide seminar space and café area, a place for conferences, training courses and lectures, encouraging meetings and social collaboration.

Rentals include:

- Basic Broadband
- Parking
- Access to the meeting room (on a fair use policy)
- Unlimited Tea and Coffee
- Electricity (each office is metered so usage will be monitored)
- Water for heating and cooling systems in each office

Catesby Innovation Centre will provide:

- A variety of offices sizes
- An attractive entrance with reception areas
- Open plan collaborative breakout spaces
- Quality meeting, seminar and conference rooms
