

Christmas Lunch for Age UK at Banbury Business Park

Bibby Financial Services Limited, based in Pembroke House at Banbury Business Park near Banbury will be hosting a Christmas lunch on the 7th December for Age UK. They will be welcoming 100 pensioners who are part of Age UK to come together to enjoy a festive meal with festive fun and cheer. Many of the attendees tend to be alone at Christmas so this event means a lot to them. Bibby will also be holding a raffle on the day for participants and they will all go home with a festive gift bag full of gifts! This is the third year Bibby's have hosted the Christmas meal. All of the tables are hosted by businesses, mainly their clients and a table costs £250 to sponsor.

White Commercial Surveyors, Banbury and Colliers International are currently letting the ground floor of Pembroke House, a high-quality office space from 12,882-16,514 sq ft with excellent car parking. The property offers flexible, Grade A office accommodation which has been fully refurbished and set around a centrally landscaped courtyard at the popular Banbury Business Park, close to J10 & J11 of the M40.

Chris White, MD at White Commercial Surveyors said: "Bibby's occupy excellent accommodation at their HQ style offices at Pembroke House which include a large modern servery and kitchen facilities. The site also has excellent on-site car parking provision and is well located for the thriving areas of Oxford and Birmingham. Bibby's support for Age UK comes at a festive time which should be enjoyed by all."
